Psychology graduate with experience in student support, child protection, and the promotion of safe, respectful school environments. Skilled in developing prevention initiatives, providing emotional and academic guidance, and fostering inclusive, value-based learning spaces. Currently pursuing a Master's in Child and Adolescent Psychology at Universidad Europea.

## SKILLS

- Designed and led prevention campaigns and workshops reaching +200 students and parents.
- Effective in cross-cultural communication and collaboration within multidisciplinary teams.
- Strong organizational and project management skills with attention to detail.

## WORK HISTORY

### Summer Camp Counselor Coordinator – Student Life (June, 2025 – Present)

American Nicaraguan School

- Supervised and coordinated student volunteers in the community service program as summer camp counselors, collaborating with leadership to assign roles, support classroom integration, and ensure effective operations; additionally supported campers facing mental health challenges, fostering a safe and inclusive environment.

### Counseling Center Administrator (September, 2023 - Present)

American Nicaraguan School

- Support students through the university application process in the U.S., Latin America, and Europe by managing academic records, facilitating communication between students and institutions, and ensuring timely submission of required documentation.
- Assist in organizing college fairs, college visits, student workshops, and graduation events, while maintaining accurate tracking of application progress and deadlines.
- Offer emotional support to students, by creating a safe, empathetic space for them to share personal concerns and challenges.

### Child Protection Intern (March, 2023 - August, 2023)

American Nicaraguan School

- Assisted counselors in creating and implementing violence-prevention programs, supporting at-risk students, and contributing to the school's Child Protection Handbook. Organized workshops and collaborated with teachers, parents, and multidisciplinary teams to foster safe and supportive environments.

### Market Research Interviewer (July, 2021 - March, 2023)

SAGO

- Led interviews and focus groups, analyzing research data and generating detailed reports with strong communication and organizational skills.

### Intern (August, 2021 - March, 2022)

La Corriente Feminista

- Managed focus groups and documented detailed reports, enhancing organizational and collaborative skills in cross-functional team settings.

### Creative Editor (April, 2021 - March, 2022)

La Quimera Feminista

- Developed content on child protection, contributing to initiatives that promoted awareness and well-being in children and adolescents.
